Caldera Spas & Hot Tubs

Relax, have fun and improve your health

Don't let the stress of daily life bog you down. Join the health routine of thousands of spa owners by soaking away the day's stresses. Sit back and relax in the warm soothing waters of a Caldera Spa. Regular Spa use benefits the whole family in a range of different ways; soothes tired muscles after a hard workout, aids restful sleep, helps stiff joints and poor circulation, provides fun family time.

Whether you select a Utopia, Paradise or Vacanza Series spa, you'll find every seat is ergonomically sculpted to cradle your body. Seat backs are gently curved and the lounge seats are contoured to allow you to totally relax, enjoying buoyancy while remaining in place.

Caldera Spas & Hot Tubs

Our range

Utopia Series (5 Models)

Providing the ultimate in luxurious hydrotherapy. Our Utopia Series models offer an impressive array of deluxe features- including SpaGlo™ lighting, Acquarella™ waterfall, Atlas™ Neck Massage System, air jet system and Monarch™ CD ozone system - along with more jets and larger pumps than all other Caldera® spas.

Paradise Series (3 Models)

Our Paradise Series models give you the flexibility to tailor your spa to your needs. A selection of sizes, cabinet and shell colour combinations and options including MP3 sound system or wireless multi-source sound system are available.

Vacanza Series (5 Models)

Like all Caldera® spas, a Vacanza spa delivers pure comfort, performance and style. Its graceful contours cradle your body in an inviting embrace. Expert craftsmanship provides years of reliable service and easy care. The eye-pleasing, organic lines complement any decorating theme from classic to contemporary.

Prices start at £4395

Polar will be with you every step of the way

Polar Pools will be with you every step of the way, providing friendly, expert advice to enable you to choose the right spa for you. We will also ensure your new spa is correctly sited, installed and commissioned. We will also supply you with all the chemicals and other equipment you need to make owning your spa as easy as possible so you can spend more time enjoying it.

We'll always be on hand for any further advice or help you may need. We can also provide entertainment option upgrades and we always have essential chemicals in stock.

Quality built, Quality backed

Since 1976 Caldera® has remained one of the most trusted spa brands in the world. Providing quality products and customer satisfaction is the commitment Caldera Spas makes to their customers. Caldera use responsible manufacturing and business practices, subjecting Caldera Spas to a series of rigorous inspections and quality tests before they leave the factory. With this high level of engineering and construction it's easy to see why the Caldera Spas International ComfortGuard™ limited warranty is one of the industry's best.

Names you can trust are standing behind Caldera Spas' commitment to you. Caldera is part of Watkins Manufacturing, the industry's leading producer of premium spas. Watkins is a member of the Masco family of fine home products; HÜPPE™ showers, Hansgrohe bathroom solutions, Bristan and many others.

Caldera Spas and hot tubs are distributed by Certikin International Ltd, the UK's largest trade distributor of swimming pool, spa and hot tub equipment. Established in 1963 and based in Oxfordshire, Certikin is one of the oldest and most established swimming pool and spa equipment businesses in Europe. The name Certikin is synonymous with top quality products and service backed up with a level of expertise that simply cannot be beaten.
